

PRIVACY POLICY

The privacy policy will help you understand how we uses and protects the data you provide to us when you use the Applications.

We reserve the right to change this policy at any given time, of which you will be promptly updated. If you want to make sure that you are up to date with the latest changes, we advise you to frequently visit this page.

What user data we collect

When you login on any application from your device, you may collect the following data.

- Your IP addresses.
- Your contact information and email address.
- Other information such as interests and preference.
- Password you choose are stored in encrypted form and is used to verify your account from time to time.

Why we collect your data

We are collecting your data for several reasons.

- To better understand your needs.
- To improve our services and products.
- To send your promotional emails containing the information we think you will find interesting.
- To contact you to fulfill out surveys and participate in other types of market research.
- To customize our application according to your online behavior and personal information.

DEVICE INFORMATION

The applications use a unique device number. This device number varies on Android and Windows. This number and information about your installation (for example, the operating system type and application version number, device numbers/ID) may be sent to Vikn books server when you install the app or when the app periodically contacts our servers, such as during login from the device.

CHANGES TO THIS PRIVACY POLICY

We may update this privacy policy from time to time in order to reflect, for example, changes to our practices or for other operational, legal or regulatory reasons. All updates to our privacy policy will be posted on this application.

CONTACT US
